CHAPTER 13
DESTRUCTIVE STORM

He sensed the burning danger he was in. Just one single mistake could result in his death. He could not allow his opponents to see his inner panic.

The presence of the three skilful aggressors did not bother Wind. He sat as still and calm as before.

After they were done with Cloud, Sword Saint and his companions heard the news that Wind was alone and decided to take Wind down as well. It was a move that Wind could not anticipate!

WHAM

HOW CAN I HELP WIND GET OUT OF THIS ALIVE?

WIND, I AM DU SU WU, THE CHIEF OF THE INVINCIBLE FORT TIEBE DU SU YI FANG WAS MY FATHER!

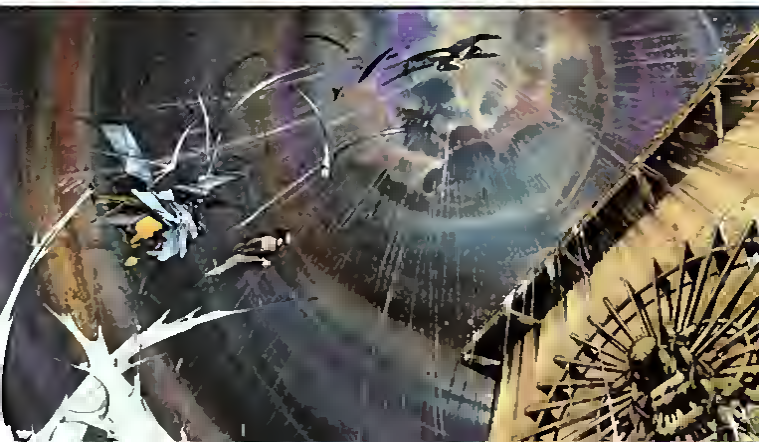
Wind was in a terrible dilemma. On one hand, Wind was his friend and on the other hand, he could not betray Sword Saint. His mind raced to find a solution.

The silent Wind got away instinctively.
TODAY, I WILL AVENGE MY DAD WITH YOUR DEATH!
RUNNING AWAY? YOU WON'T BE ABLE TO DO THAT TODAY!

SHAA!

KICK!

BUDDHA'S PALM
THE DESCENT OF THE HEAVENLY BUDDHA



Warrior stood blocking off Wind's retreat path, with his heart full of helplessness and regret.

AH... WAVE?

But his face revealed nothing of those...

WHO IS THAT HIDING IN HERE?

BANG!

SHOOT SAINT

Possessed by thoughts of revenge

Dr. Gu Wu plunged himself at Wind.

WIND GOD'S LEGS LEVEL 2,
WIND MOVING GRASS
As they exchanged blows, Du Gu Wu felt that Wind was not paying full attention to the fight. Instead, he was staring at Wave. Not knowing what Wind planned to do next, Du Gu Wu was afraid to continue his attack.
After ten blows were exchanged, Du Gu Wu suddenly sprang aside!
WAVE, IT IS DIFFICULT TO MAKE AN ENEMY OUT OF A FRIEND SINCE YOU ARE UNWILLING TO HARM HIM. STEP ASIDE AND LET US FINISH THE JOB!
AH! WAVE! YOU'RE WITH THEM!

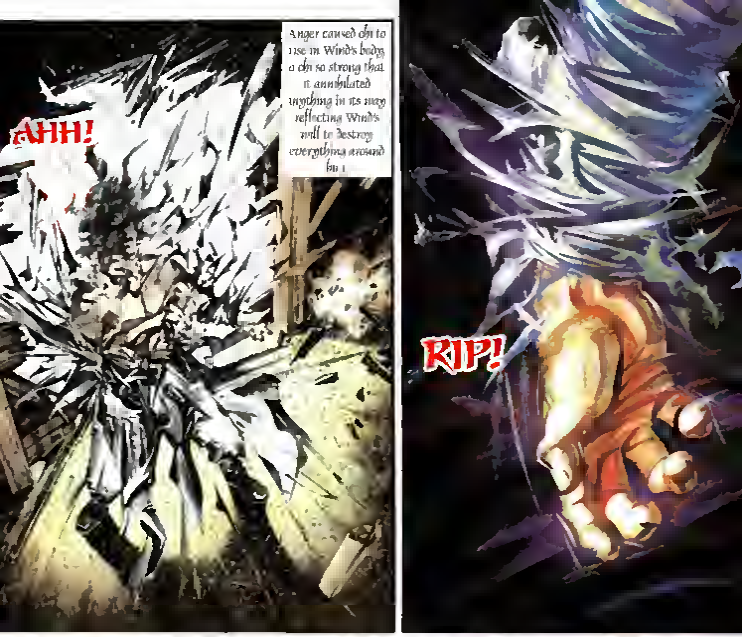
Wind's breath became rapid and as rage swept over him, eyes turned from white to red, almost as if blood was going to shoot out from his eyes!

YOU BETRAYED ME!?

With Wave's words, Wind's affection for Wave as a friend dissolved into non-existence and coldness swept back into his eyes...

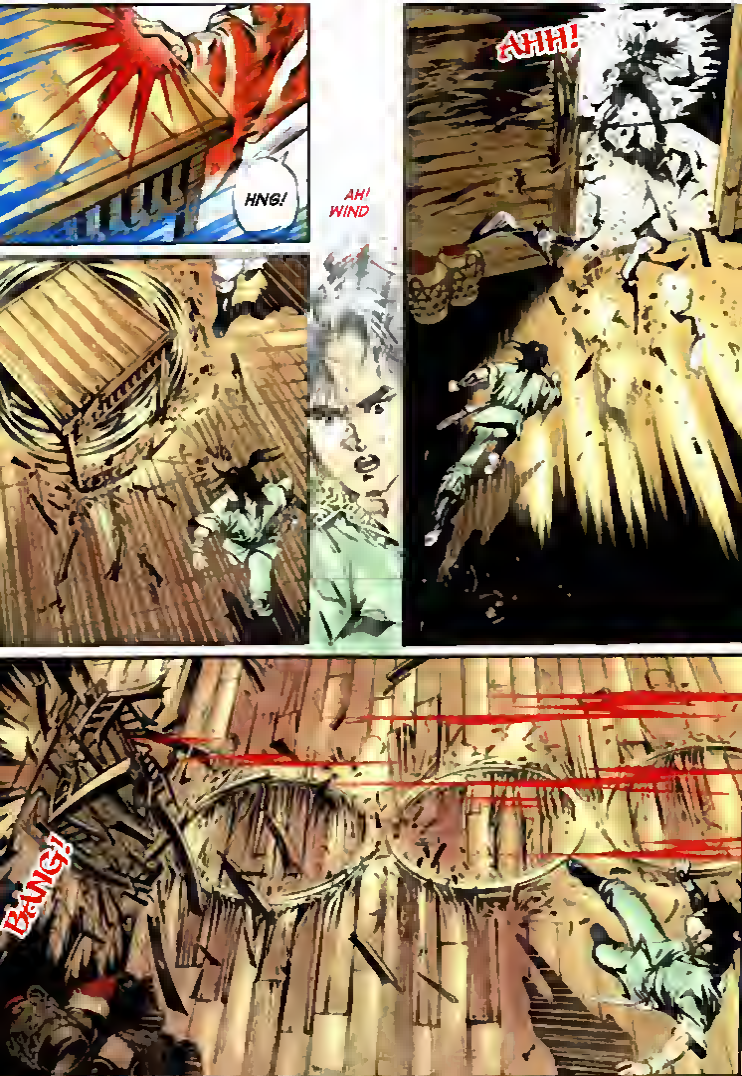
ALRIGHT, WIND, SINCE I CAN NO LONGER HIDE THIS FROM YOU, I WILL CEASE TO TREAT YOU AS A FRIEND... TODAY, KILLING YOU WILL BE MY CONTRIBUTION TO THE INVINCIBLE FORTRESS!

Wind transformed into a madman like state.
Such an ugly fat intoxicated Warze.
WHY DID YOU BETRAY ME?
With a grunt, Warze swung his fist at Wind!
SINCE I AM UNABLE TO DEFEAT SKILLFUL MARTIAL ARTISTS LIKE YOU, THE ONLY WAY FOR ME TO REACH THE TOP IS TO USE UNDERHAND METHODS.
As Warze made his decision to fight, he unleashed a full force of chi, sending Wind flying...
PUSH!
BANG!

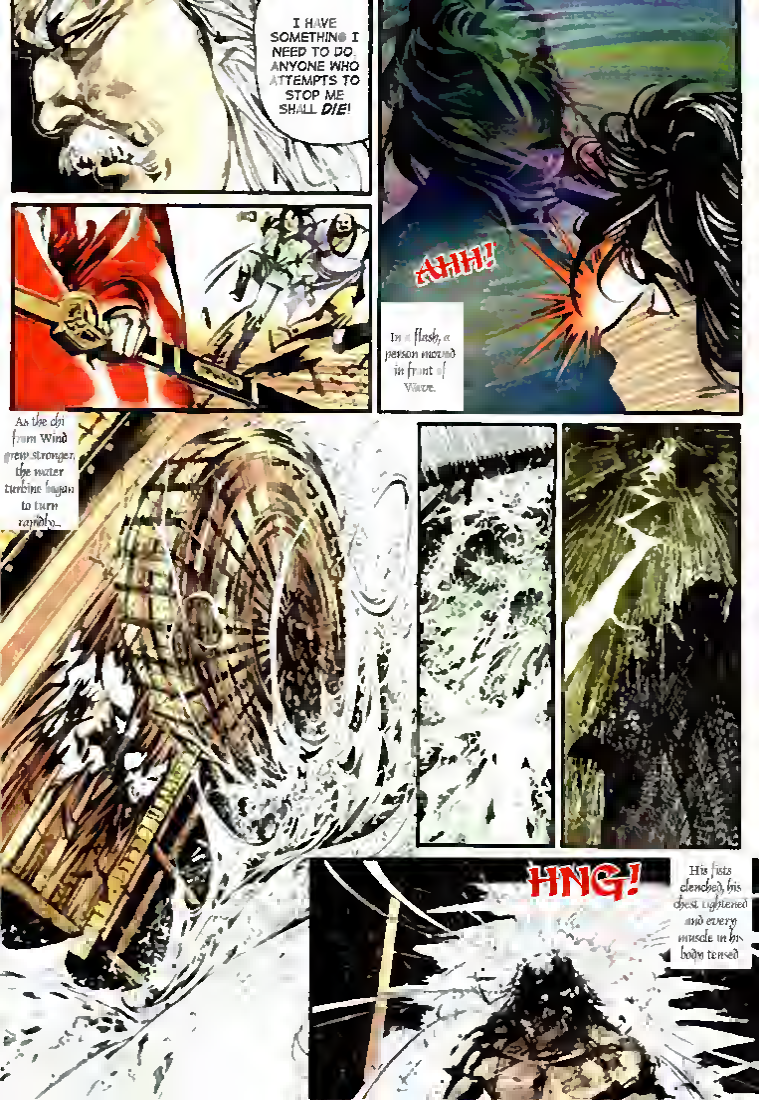


AHH!
Anger caused chi to rise in Wind's body a chi so strong that it annihilated anything in its way reflecting Wind's will to destroy everything around him
RIP!

Wind tried to suppress this chi by grabbing his own arm desperately in an attempt to control the chi with his will.



HNG!
AH! WIND
AHH!
BANG!



I HAVE SOMETHING I NEED TO DO. ANYONE WHO ATTEMPTS TO STOP ME SHALL DIE!
AHH!
In a flash, a person moved in front of Vivre.
As the air from Wind grew stronger, the water turbine began to turn rapidly...
HNG!
His fists clenched, his chest tightened and every muscle in his body tensed

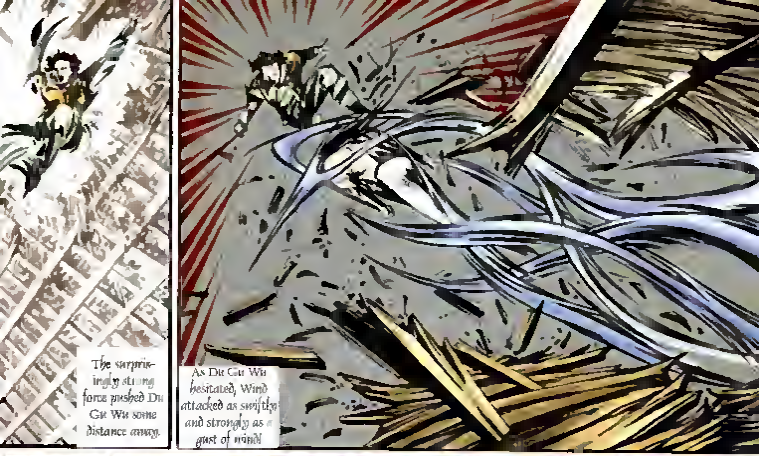
Just at this moment, Wind's chi calmed down, creating an envelope around Wind and dispelling all the rain droplets that came into contact with it.

DRAGON SUBDUING KICK, LEVEL 4,
FLYING DRAGON IN THE SKY
Dit Git Wa leaped towards Wind, channelling his hatred into an explosive attack.

Wattle could do nothing but watch with a sullen face...
WIND GOD LEGS, LEVEL 6,
GODLY WIND HOWL

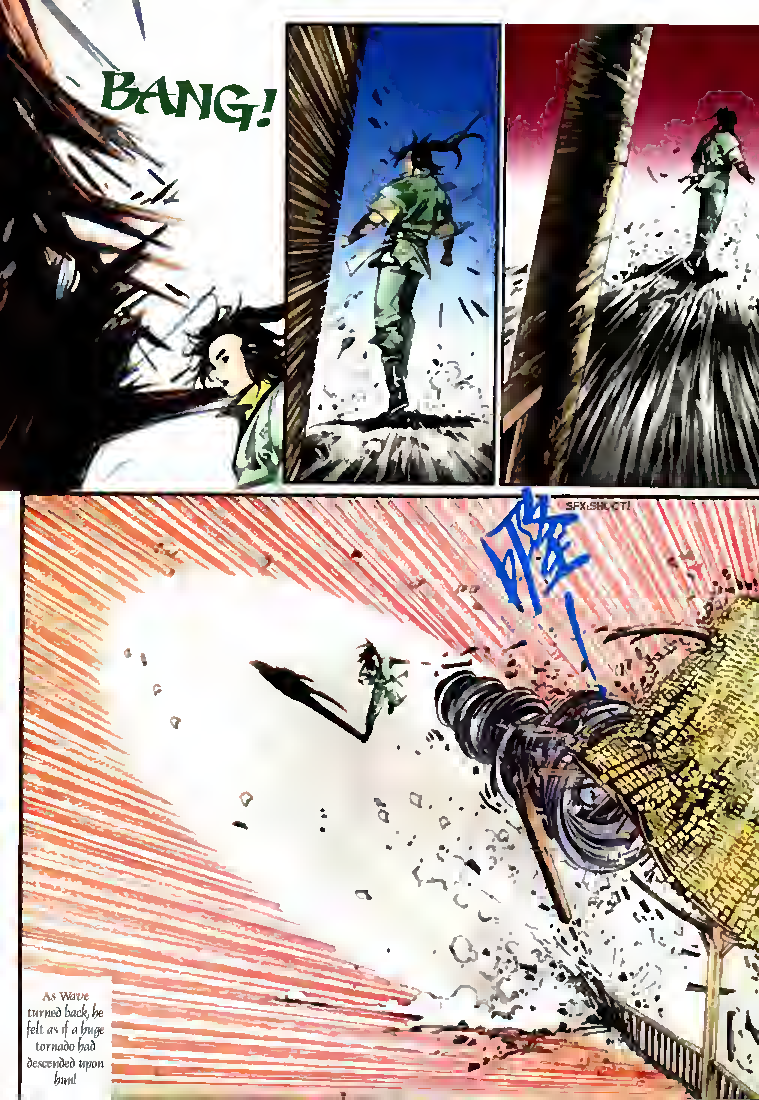
With one howl, the Earth shook and the water house began to topple!
SFX: BOOM!

What Du Gu Wu saw with his eyes was not the Wind he knew anymore, but a wild leopard!
A powerful aura arose from Wind, causing Du Gu Wu to cease his attack in mid-air



The surprisingly strong force pushed Du Gu Wu some distance away.
As Du Gu Wu hesitated, Wind attacked as swiftly and strongly as a gust of wind!

CHASE!

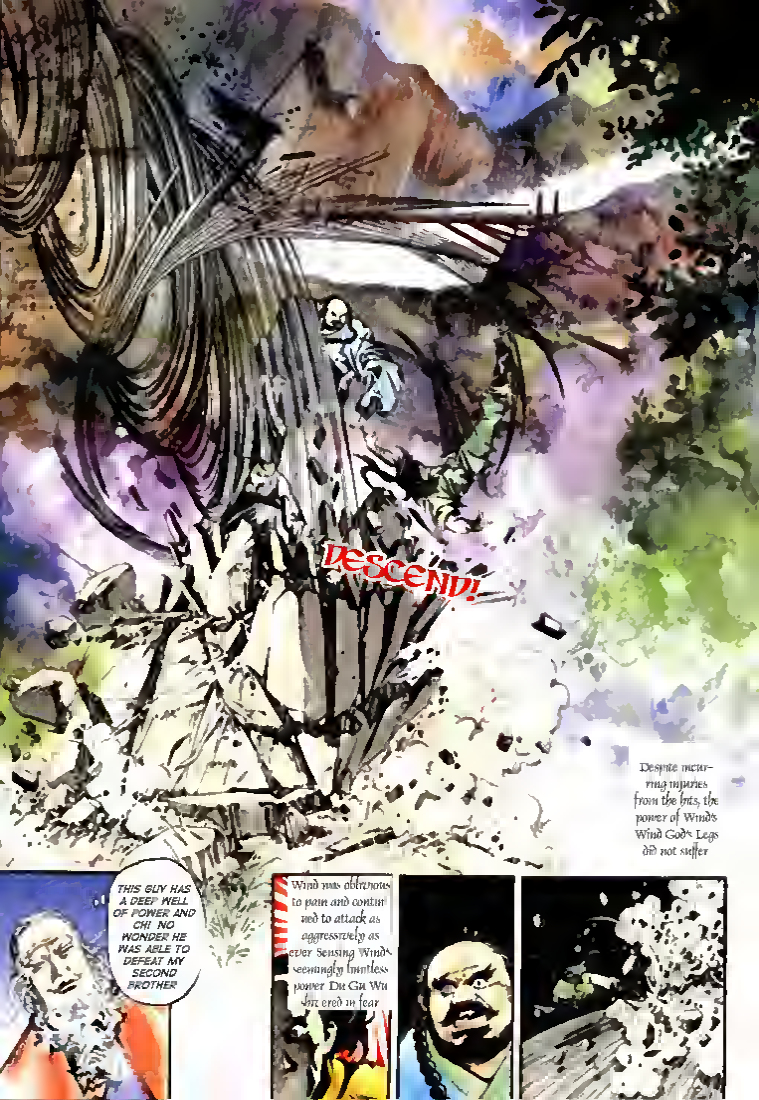


BANG!
SFX:SHUCT!
As Wave turned back, he felt as if a huge tornado had descended upon him!

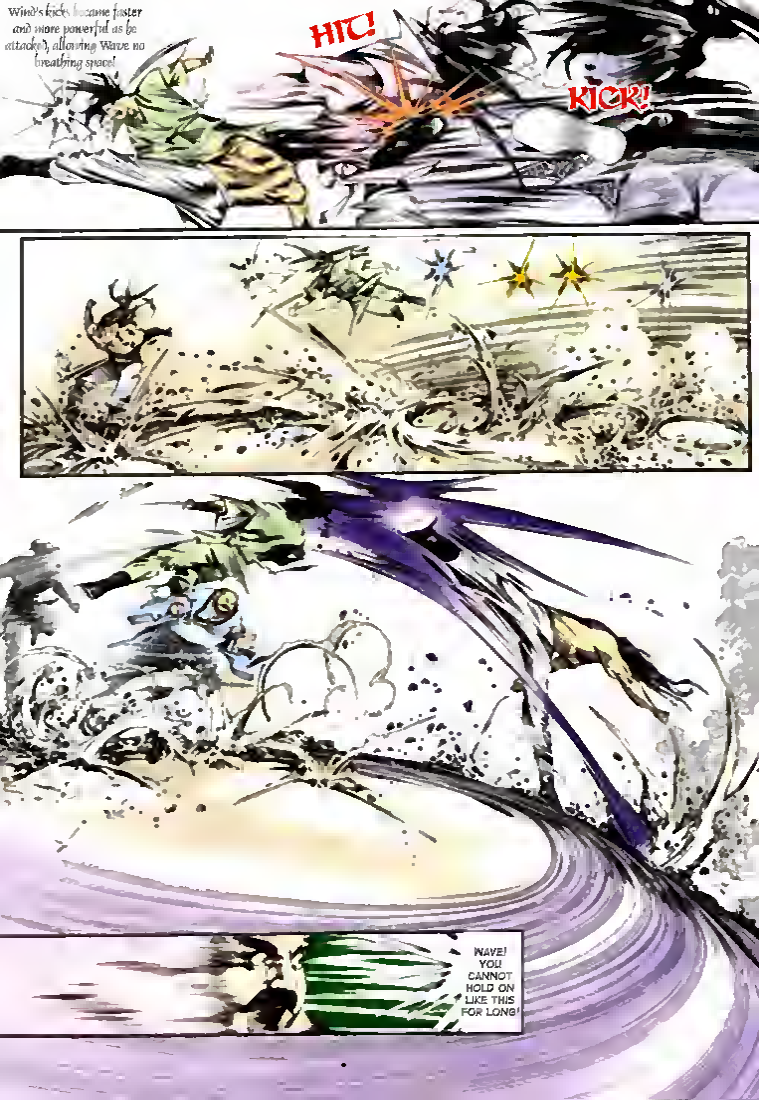
Seeing Wenxe in danger of losing his life, Du Gu Wu and Shi Wu Zhun went to his aid.
Wind's eyes blazed with a rage so strong that it could almost burn the person in front of him with its fury.
SFX: HIT.... HIT!

On receiving two blows from behind, Wind loosened his grip on Wave, enabling Wave to struggle out of danger.
But that mouthful of blood was spat out with chi, leaving Wave no choice but to raise his arms in defence.
The two hits were detrimental, causing Wind to vomit out a mouthful of blood
Wind swinging a kick at Wave, another kick landed on him from behind.

Wind attacked without any thoughts for defence, aiming only to kill the one who had betrayed him.

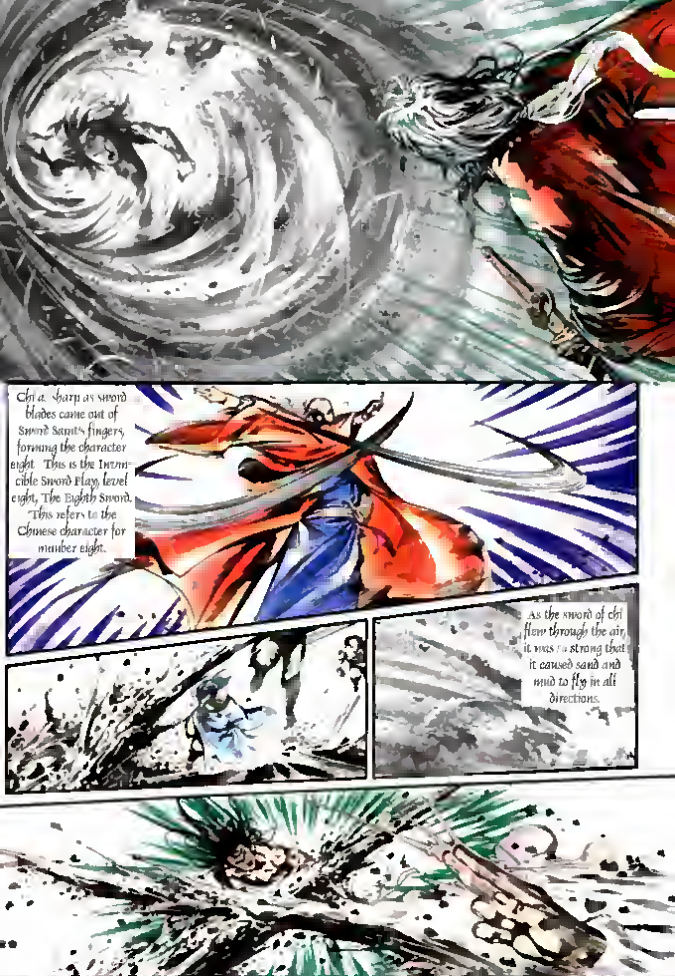


DESCEND!
Despite incurring injuries from the hits, the power of Wind's Wind God's Legs did not suffer
THIS GUY HAS A DEEP WELL OF POWER AND CHI NO WONDER HE WAS ABLE TO DEFEAT MY SECOND BROTHER
Wind was oblivious to pain and continued to attack as aggressively as ever Sensing Wind's seemingly limitless power Du Gu Wu Jin cried in fear

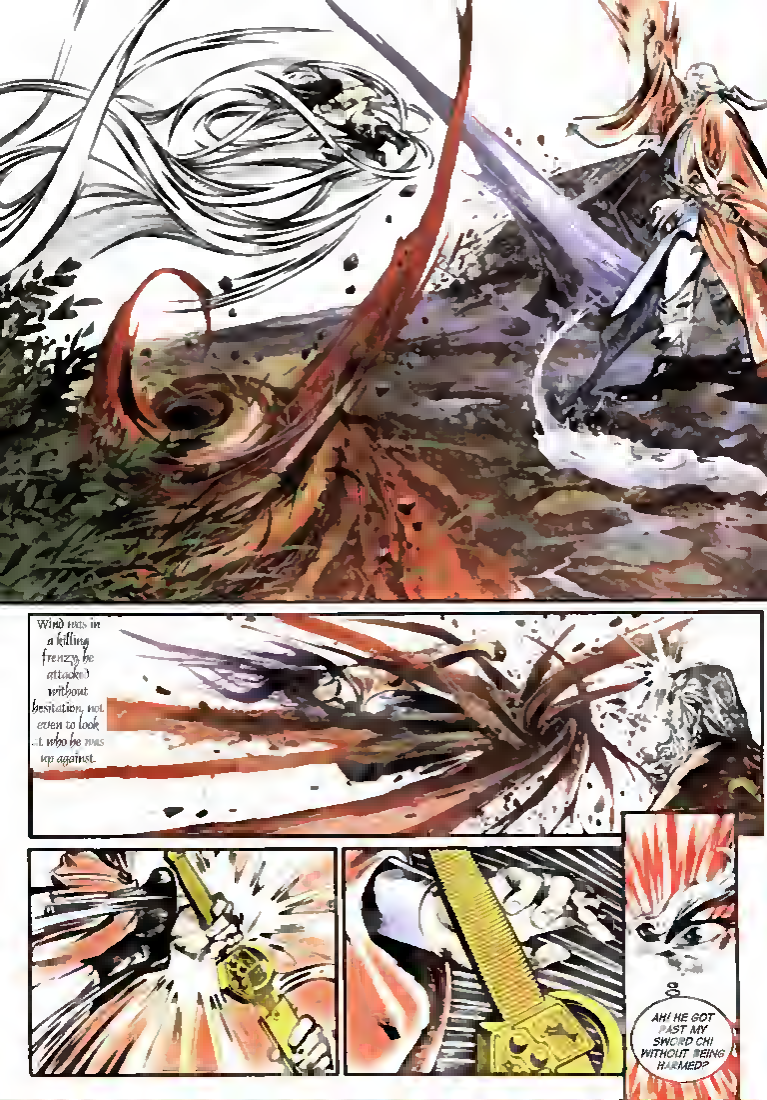


Wind's kicks became faster and more powerful as he attacked, allowing Wave no breathing space!
HIT!
KICK!
WAVE! YOU CANNOT HOLD ON LIKE THIS FOR LONG!

HE IS NOT HUMAN ANY MORE. WE WILL DISTRACT HIM WHILE YOU MAKE YOUR ESCAPE!
SFX: HNG!
SFX: KICK!



Chi as sharp as sword blades came out of Sword Saint's fingers, forming the character eight. This is the Invincible Sword Play, level eight, The Eighth Sword. This refers to the Chinese character for number eight.
As the sword of chi flew through the air, it was so strong that it caused sand and mud to fly in all directions.



Wind ran in a killing frenzy, he attacked without hesitation, not even to look at who he was up against.
AH! HE GOT PAST MY SWORD CHI WITHOUT BEING HARMED?

SWISH!
HOW CAN THAT BE? SWORD SAINT GOT HIT!
